Fountain 2001 Provides headings for topics, literary and organizational forms, and names of individuals, corporate bodies, places, works, and so on, that might be needed to catalog a general collection used at least in part by children and readers or viewers interested in popular topics. **Achtung-Panzer!** Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

WINE SEX and SUICIDE My Near Death Divorce Patty Blue Hayes 2015-06-20 "I've heard divorce is like a death, but this was different, this was my death."If you've ever felt abandoned by love and disconnected from your true self, Patty's journey will leave you feeling you are not alone. Her story reveals the dangerous aftershocks of losing her identity and purpose in life. Wine, Sex and Suicide - My Near Death Divorce is a raw look into Patty's dark days and manic nights after the abrupt end of her marriage. By day she volunteered in kitchens and shelters but by night she numbed her pain with wine and sexual validation from strangers to soften the blow of her husband's betrayal. The pain nearly broke her. Patty's healing path began with a Life Coaching class. There, she started her journey of self-discovery. She began to see the light and promise of the life she knew in her heart was possible. She shares her vulnerable story so that others will not feel alone in the darkest night of their soul.

Vintage Camper Trailers Paul Lacitinola 2016-07-21 Vintage camper trailers are a unique symbol of midcentury America that resonates with many people. This book introduces many of those people, along with the trailers they've lovingly maintained or restored. It includes hundreds of photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, Vintage Camper Trailers, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.

Encyclopedia of Chart Patterns Thomas N. Bulkowski 2021-04-06 The market's bestselling and most comprehensive reference on chart patterns, backed by statistics and decades of experience When the smart money trades the securities markets, they leave behind financial footprints. Combine enough footprints together and you have a trail to follow. That trail becomes what's called a chart pattern. Encyclopedia of Chart Patterns, Third Edition expands upon Bulkowski's immensely popular Second Edition with fully revised and updated material on chart patterns. Whether you're new to the stock market or an experienced professional trader, use this book as a reference guide to give you an edge. Within the pages of this book, you'll learn how to identify chart patterns, supported by easy-to-understand performance statistics describing how well a pattern works, what the failure rate is, and what special quirks suggest better future performance. You'll discover how often a stop loss order will trigger at various locations within a chart pattern, how the chart pattern's performance has evolved over the past three decades, and how to profit from failure by trading busted patterns. This broadened and revised Third Edition offers investors the most comprehensive, up-to-date guide to this popular method of market analysis. Written by a leading expert on chart patterns, Tom Bulkowski, this edition includes revised statistics on 75 chart patterns including 23 new ones, with pictures and performance statistics, packaged within easy-to-read text. Gain essential knowledge of chart patterns and how they are used to predict price movements in bull and bear markets New tables include how often stops are hit, busted pattern performance, performance over the decades, and special pattern features Joining Tour, Identification Guidelines, Focus on Failures, Statistics, Trading Tactics and Sample Trade is Experience. It puts you in the passenger's seat so you can share lessons learned from Bulkowski's trades This edition reports on statistics from nearly four times the number of samples used in the Second Edition and ten times the number in the First Edition The Encyclopedia of Chart Patterns, Third Edition further solidifies the reputation of this book as the leading reference on chart patterns, setting it far above the competition.

Free Negro Owners of Slaves in the United States in 1830 Carter Godwin Woodson 2018-10-06 Excerpt from Free Negro Owners of Slaves in the United States in 1830: Together With Absentee Ownership of Slaves in the United States in 1830 The report on the Absentee Ownership of Slaves in the United States in 1830 attached hereto developed in a similar way. The investigators were impressed also with the frequent occurrence of such wide separation of the mas ter from the slave. In noting the cases of free Negro ownership it was a simple matter, then, to record also the cases of absentee ownership, and it was done accordingly. The first book to focus exclusively on the subject, Geodiversity describes the interrelationships between geodiversity and biodiversity, the value of geodiversity to society, as well as current threats to its existence. Illustrated with global case studies throughout, the book examines traditional approaches to protecting biodiversity and the new management agenda which is starting to be used instead.

Glamping with MaryJane MaryJane Butters 2012-09-01 MaryJane Butters' go-to guide for putting glamour into camping."Glamping, or glamour camping, one of the MaryJane's pet concepts, is about the juxtaposition of rugged and really pretty, grit and glam, diesel and absolutely darling."-The New York Times.Glamping-unleashing your inner wild while wearing a pair of fishing-lure earrings-is for every woman (or man!) who ever had a get-away-from-it-all fantasy (with a few frilly embellishments thrown in). Learn about the never-fail campfire, cooking with cast iron, how to change a flat, and much, much more. Follow the growing Glamping movement at maryjanesfarm.org and nationalglampingweekend.com.Like the infamous Calamity Jane, who said, "I figure if a girl wants to be a legend, she should go ahead and be one." MaryJane Butters coined the term glamping years ago when she founded her unusual Idaho canvas wall-tent bed & breakfast, which was featured in The New York Times Magazine and Travel & Leisure as "the place to be." Legend status achieved, MaryJane lives in Moscow, Idaho, where she runs her many businesses, which include a successful organic farm, product lines, a bed & breakfast, and MaryJanesFarm magazine. This is her fourth book.

Sociality: The Behaviour of Group-Living Animals Ashley Ward 2016-04-20 The last decade has seen a surge of interest among biologists in a range of social animal phenomena, including collective behaviour and social networks. In 'Animal Social Behaviour', authors Ashley Ward and Michael Webster integrate the most up-to-date empirical and theoretical research to provide a new synthesis of the field, which is aimed at fellow researchers and postgraduate students on the topic. □ **Consumers Index to Product Evaluations and Information Sources** 1995

Woodall's North American Campground Directory 2004 2003-12 Rates, locates, and describes privately and publicly operated campground and recreational vehicle parks having a minimum of ten spaces, in the U.S., Canada, and Mexico. **RV Capital of the World** Al Hesselbart 2017-06-12 Time spent with the family in a Coachmen Leprechaun or a Holiday Rambler is unforgettable. Indiana retains a unique place in the RV industry going back to the 1930s, when pioneering individuals like Milo Miller, Harold Platt and Wilbur Schult created the original RV businesses in the Elkhart-South Bend area, making campers for sale. By the end of World War II, the national media was identifying Elkhart as the "Trailer Capital of the World." That status has been reinforced ever since, and the industry is still thriving in Indiana with the successes of Thor Industries and Forest River. Join author and RV expert Al Hesselbart as he chronicles how the Hoosier State became the RV Capital of the World.

Invasive Species and Human Health Giuseppe Mazza 2018-07-13 Invasive alien plants and animals are known for their disruption of ecosystems and threat to biodiversity. This book highlights their major impact on human health. This includes not only direct effects through contact with the species via bites, wounds and disease, but also indirect effects caused by changes induced in ecosystems by invasive species, such as more water hyacinth increasing mosquito levels and thereby the potential for malaria. Covering a wide range of case studies from different taxa (animals and plants), and giving an overview of the diverse impacts of invasive species on health in developed and developing countries, the book is a significant contribution that will help in prioritizing approaches to controlling invasive species and mitigating their health effects. It covers invasive plants, marine species, spiders and other arachnids, ticks and dust mites, insects, mosquitos and other diptera, freshwater species (invertebrates and fishes), amphibians and reptiles, birds and mammals. The broad spectrum of the analyzed case studies will ensure the appeal of the book to a wide public, including researchers of biological invasions, doctors, policy-makers and managers, and students of invasive species in ecology, animal and plant biology and public health medicine.

Twelve Years a Slave Solomon Northup 2021-01-01 "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
