2022-09-06 From the author of the Goodreads Choice Award winner *The Spanish Love Deception*, the eagerly anticipated follow-up featuring Rosie Graham and Lucas Martín, who are forced to share a New York apartment. Rosie Graham has a problem. A few, actually. She just quit her well paid job to focus on her secret career as a romance writer. She hasn't told her family and now has terrible writer's block. Then, the ceiling of her New York apartment literally crumbles on her. Luckily she has her best friend Lina's spare key while she's out of town. But Rosie doesn't know that Lina has already lent her apartment to her cousin Lucas, who Rosie has been

stalking—for lack of a better word—on Instagram for the last few months. Lucas seems intent on coming to her rescue like a Spanish knight in shining armor. Only this one strolls around the place in a towel, has a distracting grin, and an irresistible accent. Oh, and he cooks. Lucas offers to let Rosie stay with him, at least until she can find some affordable temporary housing. And then he proposes an outrageous experiment to bring back her literary muse and meet her deadline: He'll take her on a series of experimental dates meant to jump-start her romantic inspiration. Rosie has nothing to lose. Her silly, online crush is totally under control—but Lucas's time in New York has an expiration date, and six weeks may not be enough, for either her or her deadline.

Where the Crawdads Sing (Movie Tie-In) Delia Owens 2022-06-28 NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review). For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North

Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Frayed Laura Pavlov
2021-03-17 Bad boy football star. Innocent girl next door. Two different worlds. One small town. A million reasons why they should have stayed away from one another. "My new favorite Laura Pavlov book. It felt like watching the show Friday Night Lights only better." Willow Aster, USA Today Bestselling Author My name is Adelaide Edington, and my life was mapped out for me before I even entered the world. Who I'd date, where I'd attend college, what I'd be when I grew up. But there comes a time in

everyone's life when they face a fork in the road. Should I go left, or should I go right? It didn't matter as long as I didn't remain stagnant any longer. Jett Stone opened me up to a whole new world.

Reminding me that it was okay to find my own way. I could have roots in Willow Springs and still spread my wings and fly. What I didn't expect was to fall in love with the broody football player. The boy I'd known since kindergarten. The boy who I wasn't supposed to be with-but had somehow become my everything.
