Double Entry Journal On Animal Farm

Thomas Jefferson's Farm Book Thomas Jefferson 1999 Thomas Jefferson's Farm Book chronicles more than fifty years of agriculture, slavery, and light industry on Jefferson's Virginia plantations. The late Edwin Morris Betts embellishes Jefferson's original farm journal with relevant letters, diagrams, and records selected from Jefferson's public and private writings. Organized topically and richly annotated, this wide-ranging volume is the most complete record of plantation activity in early America.

An Immense World Ed Yong 2022-06-21 NEW YORK TIMES BESTSELLER • Every kind of animal, including humans, is enclosed within its own unique sensory bubble, perceiving but a tiny sliver of our immense world. Pulitzer Prize–winning science journalist Ed Yong takes us on “a thrilling tour of nonhuman perception” (The New York Times), allowing us to experience the skeins of scent, waves of electromagnetism, and pulses of pressure that other animals perceive. “One of this year’s finest works of narrative nonfiction . . . Yong’s reporting is layered, seasoned with vivid scenes from laboratories and in the field, interviews with researchers across a spectrum of disciplines.”—Oprah Daily “A dazzling ride through the sensory world of astoundingly sophisticated creatures.”—The Wall Street Journal The Earth teems with sights and textures, sounds and vibrations, smells and tastes, electric and magnetic fields. In an Immense World, Ed Yong coaxes us beyond the confines of our own senses to encounter beetles that are drawn to fires, turtles that can track the Earth’s magnetic fields, fish that fill rivers with electrical messages, and even humans who wield sonar like bats. We discover that a crocodile’s scaly face is as sensitive as a lover’s fingertips, that the eyes of a giant squid evolved to see sparkling whales, that plants thrum with the inaudible songs of courting bugs, and that even simple scallops have complex vision. We learn what bees see in flowers, what songbirds hear in their tunes, and what dogs smell on the street. We listen to stories of pivotal discoveries in the field, while looking ahead at the many mysteries that remain unsolved. Funny, rigorous, and suffused with the joy of discovery, An Immense World takes us on what Marcel Proust called “the only true voyage . . . not to visit strange lands, but to possess other eyes.”

Animal Farm Save Time Summaries Staff 2014-03-14 WARNING: This is not the actual book Animal Farm by George Orwell. Do not buy this Summary & Study Guide if you are looking for a full copy of this great book.In George Orwell's Animal Farm, barnyard creatures overthrow their masters and create an equal society of four-footed friends. Unfortunately, the friendly society becomes a breeding ground for power and control. This study guide is designed for the student who needs assistance absorbing the allegorical meanings of Orwell's novel, which warns against Communism and totalitarian rule. In addition to biographical background on the author, this guide features useful insight on the historical and political contexts from which Orwell's novel emerged. With this history explained, you will get a greater appreciation for the meaning of the key quotes from Animal Farm, which this guide also discusses.This study guide of Animal Farm also provides an analysis of the book's setting, a character reference list with detailed character analysis, and a section on themes, symbols, and motifs. Beowulf Seamus Heaney 2008-11-03 Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.

Journal of a Solitude May Sarton 2014-07-22 The poet and author’s “beautiful. . . wise and warm” journal of time spent in her New Hampshire home alone with her garden, her books, the seasons, and herself (Eugenia Thornton, Cleveland Plain Dealer). “Loneliness is the poverty of self; solitude is richness of self.” —May Sarton May Sarton’s parrot chatters away as Sarton looks out the window at the rain and contemplates returning to her “real” life—not friends, not even love, but writing. In her bravest and most revealing memoir, Sarton casts her keenly observant eye on both the interior and exterior worlds. She shares insights about everyday life in the quiet New Hampshire village of Nelson, the desire for friends, and need for solitude—both an exhilarating and terrifying state. She likens writing to “cracking open the inner world again,” which sometimes plunges her into depression. She confesses her fears, her disappointments, her unresolved angers. Sarton’s garden is her great, abiding joy, sustaining her through seasons of psychic and emotional pain. Journal of a Solitude is a moving and profound meditation on creativity, oneness with nature, and the courage it takes to be alone. Both uplifting and cathartic, it sweeps us along on Sarton’s pilgrimage inward. This ebook features an extended biography of May Sarton.

The Boy in the Striped Pyjamas John Boyne 2016-10-06 “Bruno doesn’t like his new house. He had to leave all his friends behind in Berlin, and there are no children to play with here - until Bruno meets Shmuel, a boy who lives on the other side of the wire fence near Bruno’s house, and who wears a strange uniform of striped pyjamas. A stunning anniversary edition of John Boyne’s powerful classic bestseller, with illustrations from award-winning artist Oliver Jeffers.”

Out of the Dust (Scholastic Gold) Karen Hesse 2012-09-01 Acclaimed author Karen Hesse’s Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

The Underground Railroad Colson Whitehead 2018 #1 New York Times Bestseller - Winner of the Pulitzer Prize - Winner of the National Book Award - Winner of the Andrew Carnegie Medal for Excellence in Fiction - Longlisted for the Man Booker Prize One of the Best books of the Year: The New York Times, The Washington Post, NPR, The Boston Globe, The Seattle Times, HuffPost, Esquire, Minneapolis Star Tribune Look for Whitehead’s acclaimed new novel, The Nickel Boys, available now Cora is a young slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead’s ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman’s will to escape the horrors of bondage—and a powerful meditation on the history we all share.

Journal Lined Notebook Journal Notebook Queen 2019-10-12 The Journal Notebook Queen proudly presents this beautiful and unique Lined Journal Notebook for School, Work or Home. Farm Book-Keeping by Double Entry; comprising a treatise, exemplified by one year's farm transactions in a set of three books, etc Philip BOWES 1853

Nineteen Eighty-Four George Orwell 2021-01-09 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Natural Ventilation for Infection Control in Health-care Settings Y. Chartier 2009 This guideline defines ventilation and then natural ventilation. It explores the design requirements for natural ventilation in the context of infection control, describing the basic principles of design, construction, operation and maintenance for an effective natural ventilation system to control infection in health-care settings.

Their Eyes Were Watching God Zora Neale Hurston 2006-01-03 One of the most important works of twentieth-century American literature, Zora Neale Hurston’s beloved 1937 classic, Their Eyes Were Watching God, is an enduring Southern love story sparkling with wit, beauty, and heartfelt wisdom. Told in the captivating voice of a woman who refuses to live in sorrow, bitterness, fear, or foolish romantic dreams, it is the story of fair-skinned, fiercely independent Janie Crawford, and her evolving selfhood through three marriages and a life marked by poverty, trials, and purpose. A true literary wonder, Hurston’s masterwork remains as relevant and affecting today as when it was first published -- perhaps the most widely read and highly regarded novel in the entire canon of African American literature.

Animal Care and Management at the National Zoo National Research Council 2004-02-24 This interim report assesses issues related to animal management, husbandry, health, and care at the Smithsonian Institution’s National Zoological Park. The report finds that there are shortcomings in care and management that are threatening the well-being of the animal collection and identifies the “most pressing” issues that should be addressed.

Things Fall Apart Chinua Achebe 2013-04-25 Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe’s stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe’s landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

Animal Farm George Orwell 2021-02-02 All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.

Anne Frank Anne Frank 1995-12-01 Abridged version of a Jewish girl's record of how her family hid from Nazi occupiers in World War II Holland.

Into the Wild Jon Krakauer 2009-09-22 Krakauer’s page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. “Terrifying... Eloquent... A heart-rending drama of human yearning.” —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his

wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless’s short life. Admitting an interst that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless’s innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless’s uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer’s stoytelling blaze through every page.

Use of Laboratory Animals in Biomedical and Behavioral Research National Research Council 1988-02-01 Scientific experiments using animals have contributed significantly to the improvement of human health. Animal experiments were crucial to the conquest of polio, for example, and they will undoubtedly be one of the keystones in AIDS research. However, some persons believe that the cost to the animals is often high. Authored by a committee of experts from various fields, this book discusses the benefits that have resulted from animal research, the scope of animal research today, the concerns of advocates of animal welfare, and the prospects for finding alternatives to animal use. The authors conclude with specific recommendations for more consistent government action.

Burmese Days George Orwell 2012-05-08 Set in the waning days of the British Empire in Burma (currently Myanmar), Burmese Days is a moving and insightful story of colonial life where socio-economic divisions are strictly upheld and corruption is rife within the local administration. An Indian, Dr. Veraswami has incurred the enmity of U Po Kyin, the local magistrate, and only membership in the white-only Club will protect him. John Flory, a white timber-merchant, is positioned to help Veraswami, but finds his own life changing when he falls in love with the newly-arrived Elizabeth Lackerstein. The first of George Orwell’s novels, Burmese Days is based on Orwell’s observations and experiences as a policeman in Burma in the 1920s, and explores such themes as imperialism and racism. First published in 1934, Burmese Days received a mixed reaction from the press, simultaneously lauded and criticized for its unflinching portrayal of colonial life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. The Maidens Alex Michaelides 2021-06-15 ****THE INSTANT NEW YORK TIMES BESTSELLER**** "Alex Michaelides’s long-awaited next novel, *The Maidens*," is finally here...the premise is enticing and the elements irresistible." —The New York Times "A deliciously dark, elegant, utterly compulsive read—with a twist that blew my mind. I loved this even more than I loved *The Silent Patient* and that’s saying something!" —Lucy Foley, New York Times bestselling author of *The Guest List* From the #1 New York Times bestselling author of *The Silent Patient* comes a spellbinding tale of psychological suspense, weaving together Greek mythology, murder, and obsession, that further cements “Michaelides as a major player in the field” (Publishers Weekly). Edward Fosca is a murderer. Of this Mariana is certain. But Fosca is untouchable. A handsome and charismatic Greek tragedy professor at Cambridge University, Fosca is adored by staff and students alike—particularly by the members of a secret society of female students known as The Maidens. Mariana Andros is a brilliant but troubled group therapist who becomes fixated on The Maidens when one member, a friend of Mariana’s niece Zoe, is found murdered in Cambridge. Mariana, who was once herself a student at the university, quickly suspects that behind the idyllic beauty of the spires and turrets, and beneath the ancient traditions, lies something sinister. And she becomes convinced that, despite his alibi, Edward Fosca is guilty of the murder. But why would the professor target one of his students? And why does he keep returning to the rites of Persephone, the maiden, and her journey to the underworld? When another body is found, Mariana’s obsession with proving Fosca’s guilt spirals out of control, threatening to destroy her credibility as well as her closest relationships. But Mariana is determined to stop this killer, even if it costs her everything—including her own life.

Writing Without Rules Jeffrey Somers 2018-05-15 Stop What You’re Doing and Write! Yes, You: Write! Most writing guides imply—or outright state—that there’s a fixed, specific formula or list of rules you must follow to achieve writing and publishing success. And all of them are phonies. Well, not completely. There are real, applicable techniques and strategies in any writing reference to help you. But the idea that there’s only one way of writing? Nuts! With unconventional approaches to the craft, fresh angles on novel writing and selling, a healthy dose of humor, and no promise of refunds, Writing Without Rules is for those writers who have tried and tried again—and are ready to success on their own terms. In these pages, accomplished author Jeff Somers will show you:
• The key to a successful writing career is doing the actual writing, no matter the circumstances.
• Fantastic ideas are available everywhere—you just need to know how to tap into sources through a variety of approaches.
• Important craft aspects that you should focus on, such as characters and dialogue, while spending less time on others, like setting.
• Effective ways to get published—whether it’s traditional or self-publishing—and how to supplement your income. Whether you’re a plotter, a pantser, or somewhere in-between, Writing Without Rules is for those writers who are looking for a fresh take on tackling the challenge of writing and selling a novel, and building a career. As Somers will show you, it’s less about being perfect in everything, and more about having the confidence to complete everything.

The Nature of Risk David X. Martin 2012-07-01 The Nature of Risk is a short, beautifully illustrated and easy-to-understand book written to help readers face one of modern life’s most important and difficult tasks—confronting risk. Free of complicated theories or formulas, The Nature of Risk relies instead on a simple story featuring a cast of familiar, forest-dwelling animals, each of which embodies a different approach to risk management. At least one of these approaches will seem familiar to every reader—whether they knew they had an approach to risk management or not. Then, as the story unfolds, the strengths and weaknesses of each approach will be revealed through a series of “natural” tests. Finally, at the conclusion of the story, readers will come to a short review section designed to help them frame their first attempts at managing risk—with or without professional help.

Becoming Michelle Obama 2018 "Oprah’s Book Club 2018 selection"--Jacket.

The Bridges of Madison County Robert James Waller 2001-03-15 Fall in love with one of the bestselling novels of all time -- the legendary love story that became a beloved film starring Clint Eastwood and Meryl Streep. If you've ever experienced the one true love of your life, a love that for some reason could never be, you will understand why readers all over the world are so moved by this small, unknown first novel that they became a publishing phenomenon and #1 bestseller. The story of Robert Kincaid, the photographer and free spirit searching for the covered bridges of Madison County, and Francesca Johnson, the farm wife waiting for the fulfillment of a girlhood dream, The Bridges of Madison County gives voice to the longings of men and women everywhere -- and shows us what it is to love and be loved so intensely that life is never the same again.

Congressional Record United States. Congress 1969

Love in the Time of Cholera (Illustrated Edition) Gabriel García Márquez 2020 Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.

Roll of Thunder, Hear My Cry Mildred D. Taylor 1997 Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

The Orang Gang Et Al; Loved, Hugged and Peed On Sherry Lucas 2011-11-03 A zoo volunteer shares her diary of 12 years working in the World of Primates at the Houston Zoo. She helped raise three orangutan babies and a baby siamang gibbon, and was loved, hugged, and peed on by all four. When she wasn't helping with the babies, she helped clean orangutan cages and continues to do so. In this book she shares her experience learning about the orangutans; watching their interactions with each other, the keepers, other volunteers, and vet staff. Orangutan means "person of the forest" and that's how she thinks about her orange ape buddies. They are her friends. This diary lets you share her experiences as a zoo volunteer; the best non-paying job in the world according to her.

Animal Farm by George Orwell / From The Writer of the Books Like George Orwell 2021-01-01 Animal Farm by George Orwell From The Writer of the Books Like : 1. 1984 2. Animal Farm Down and Out in Paris and London 3. Homage to Catalonia 4. Burmese Days 5. The Road to Wigan Pier 6. Keep the Aspidochelone Flying 7. Coming Up for Air 8. Why I Write About the Author : Eric Arthur Blair (25 June 1903 – 21 January 1950), known by his pen name George Orwell, was an English novelist, essayist, journalist and critic. His work is characterised by lucid prose, social criticism, opposition to totalitarianism, and support of democratic socialism. Animal Farm by George Orwell Orwell produced literary criticism and poetry, fiction and polemical journalism. He is known for the allegorical novella Animal Farm (1945) and the dystopian novel Nineteen Eighty-Four (1949). His non-fiction works, including *The Road to Wigan Pier* (1937), documenting his experience of working-class life in the industrial north of England, and *Homage to Catalonia* (1938), an account of his experiences soldiering for the Republican faction of the Spanish Civil War (1936–1939), are as critically respected as his essays on politics and literature, language and culture. Animal Farm by George Orwell Blair was born in India, and raised and educated in England. After school he became an Imperial policeman in Burma, before returning to Suffolk, England, where he began his writing career as George Orwell—a name inspired by a favourite location, the River Orwell. He lived from occasional pieces of journalism, and also worked as a teacher or bookseller whilst living in London. From the late 1920s to the early 1930s, his success as a writer grew and his first books were published. He was wounded fighting in the Spanish Civil War, leading to his first period of ill health on return to England. During the Second World War he worked as a journalist and for the BBC. The publication of Animal Farm led to fame during his life-time. During the final years of his life he worked on 1984, and moved between Jura in Scotland and London. It was published in June 1949, less than a year before his death. Animal Farm by George Orwell About the book : Animal Farm is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon. Animal Farm by George Orwell According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described Animal Farm as a satirical tale against Stalin ("un conte satirique contre Staline"), and in his essay "Why I Write" (1946), wrote that Animal Farm was the first book in which he tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole". Animal Farm by George Orwell The original title was Animal Farm: A Fairy Story, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like "A Satire" and "A Contemporary Satire". Orwell suggested the title Union des républiques socialistes animales for the French translation, which abbreviates to URSA, the Latin word for "bear", a symbol of Russia. It also played on the French name of the Soviet Union, Union des républiques socialistes soviétiques.

Homegoing Yaa Gyasi 2016-06-07 A NEW YORK TIMES NOTABLE BOOK • Ghana, eighteenth century: two half sisters are born into different villages, each unaware of the other. One will marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle. The other will be captured in a raid on her village, imprisoned in the very same castle, and sold into slavery. One of Oprah’s Best Books of the Year and a PEN/Hemingway award winner, Homegoing follows the parallel paths of these sisters and their descendants through eight generations: from the Gold Coast to the plantations of Mississippi, from the American Civil War to Jazz Age Harlem. Yaa Gyasi’s extraordinary novel illuminates slavery’s troubled legacy both for those who were taken and those who stayed—and shows how the memory of captivity has been inscribed on the soul of our nation.

Animal Envy Ralph Nader 2016-12-13 Ralph Nader’s newest work of the imagination, Animal Envy, is a fable about the kinds of intelligences that are all around us in other animals. What would animals tell us—about themselves, about us—if there were a common language among all animal species? A bracingly simple idea, one that has been used before in books like George Orwell’s Animal Farm and E. B. White’s Charlotte’s Web among others, but never like this. In Animal Envy, Ralph Nader proposes, quite plausibly, that a programmer has created a “digital translation” app whereby animals of different species, from insects to whales, can speak to one another, and through a “hyper-advanced converter” these animals can then also speak, both collectively and individually, to humans. It is decided that there will be a global assembly. It will be called “The Great Talkout.” Humans are persuaded to reserve 100 hours of network coverage so The Great Talkout may begin and will be viewed by humans everywhere, in all human languages, as well as all animal languages. The narrative that ensues is deeply felt and powerfully informed. Just as he did when he wrote Only the Super-Rich Can Save Us, Nader shows here that his visionary genius knows no limits.
