Renaissance Nation David McWilliams 2018-11-02 Renaissance Nation is the story of how the Pope's Children rewrote the rules for Ireland. In four decades, bookended by the visits of the pope in September 1979 and August 2018, Ireland has managed to become one of the wealthiest and most progressive nations in the world. Here David McWilliams presents the story of modern Ireland and how, once we threw

off the shackles and replaced the torpor of collective dogma with the vibrancy of individual freedom, the economy too started to motor. Meet the everyman revolutionaries who made it all happen, heroes like Sliotar Mom and Flat White Man. Feel the pulse of the Radical Centre and celebrate the optimism of a tolerant, accepting, 'live and let live' nation. In a world where other nations are divided, their economies stalled, lurching to the extremes, convulsed by existential fights pitting one part of the population against the other, Renaissance Nation shows how a well off, relatively chilled Ireland, with a growing economy and surfing a wave of liberal optimism, may not be perfect, but it isn't a bad place to be. A triumph of popular economics and social

Mountjoy. In 1989 it was a chaotic, pungent and overcrowded place, and the approach to keeping order was primitive. Returning to his hometown two years later, he entered Portlaoise Prison, which - due to the presence of IRA and other subversive prisoners - was then the most secure prison in Europe. McDonald was amazed to discover the power of these subversives within the prison. Portlaoise, and later the new Midlands Prison, were also where Ireland's emerging class of serious gangsters were housed. McDonald dealt with notorious household names like John Gilligan, Christy Kinahan, Brian Meehan, Dessie O'Hare and, more recently, killers like Graham Dwyer, in his average working day. McDonald shares vivid accounts of the constant war of attrition between

prisoners and prison authorities over the smuggling of contraband like drugs and phones. His work in a specialist security unit trying to stop this trafficking sometimes brought him into conflict with his bosses. He also questioned aspects of an often brutal and under-resourced system. Ultimately, concerns about poor handling of key issues led to him becoming a whistleblower. In *Unlocked*, McDonald brilliantly describes the boredom, the constant tension and flashpoints of extreme violence, and the moments of comedy, tragedy and surprising humanity that are part and parcel of working in prisons. Written with the help of award-winning journalist and author, Mick Clifford, it is a jaw-dropping and authentic account of life in the toughest of

Ciara's Diary Ciara King
2017-08-25 The year is 1999. Connemara is braced for the new millennium. 'No Scrubs' rules the airwaves, bootleg DVDs of Cruel Intentions are thrilling crowds of sexually progressive teens, and if you're not matching combat trousers with platforms, you are nobody. In the midst of this perplexing world, a girl named Ciara,

inspired by her heroes Anne Frank and Aung San Suu Kyi, begins to document her not dissimilar struggles – against pushy parents, mysterious boys and the stubborn non-appearance of boobs. The road ahead will be tough, but she must persevere: How else will she find fame, fortune and love in the spandex-clad arms of Dean Cain? Based on the cult radio segment of the same name, Ciara's Diary is a fresh and funny trip through the warped mind of a turn-of-the-century teenager. The spiritual successor to Adrian Mole, albeit with more shifting, Ciara's Diary is a must-read for anyone who remembers dancing to 'Maniac 2000' at the parish disco.

International Practices to Promote Budget Literacy Harika Masud

'the ability to read, decipher, and understand public budgets to enable and enhance meaningful citizen participation in the budget process'. It is comprised of two main parts - (i) a technical understanding of public budgets, including familiarity with government spending, tax rates and public debt and; (ii) the ability to engage in the budget process, comprising of practical knowledge on day-to-day issues, as well as an elementary understanding of the economic, social and political implications of budget policies, the stakeholders involved and when and how to provide inputs during the annual budget cycle. Given that no international standards or guidelines have been established for budget literacy education to date, this book seeks to address this gap by

taking stock of illustrative initiatives promoting budget literacy for youth in selected countries. The underlying presumption is that when supply-side actors in the budget process -- governments -- simplify and disseminate budget information for demand-side actors -- citizens -- this information will then be used by citizens to provide feedback on the budget. However, since citizens are often insufficiently informed about public budgets to constructively participate in budget processes one way to empower them and to remedy the problem of "budget illiteracy" is to provide budget-literacy education in schools to youth, helping them evolve into civic-minded adults with the essential knowledge needed for analyzing their government's

fiscal policy objectives and measures, and the confidence and sense of social responsibility to participate in the oversight of public resources. This book elaborates on approaches, learning outcomes, pedagogical strategies and assessment approaches for budget literacy education, and presents lessons that are relevant for the development, improvement, or scaling up of budget literacy initiatives.

In My Own Words Paul Galvin 2014-10-30 One of the greatest GAA footballers of the modern era, Paul Galvin has enjoyed a brilliant and at times controversial career. Winning four senior All Ireland medals with Kerry and eight Munster championships, he was also a three-time All Star and 2009 Footballer

of the Year. His inter-county career took off in the late 1990s, when he picked up a Munster minor championship medal in 1997 and another at under-21 level in 1999. But it was in the senior team throughout the 2000s that Paul came into his own. In a period defined by great rivalry with Tyrone, he became a key playmaker for Kerry, never failing to give his all in pursuit of victory. Over the course of a career marked by courage, physicality and an intense passion for the Green and Gold, there were many glorious days. There were other days too, with controversial incidents that led to a number of suspensions, most notably in 2008, the year in which Paul also had the honour of being the Kerry captain. 2009 brought redemption. But 2010 presented new challenges. In this
