The 4-Hour Body Timothy Ferriss 2010-12-14 #1 NEW YORK TIMES BESTSELLER • The game-changing author of Tribe of Mentors teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to reinvent yourself.”—Kevin Kelly, Wired Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. The 4-Hour Body is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It’s the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it’s all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse “permanent” injuries • How to pay for a beach vacation with one hospital visit And that’s just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don’t need better genetics or more exercise. You need immediate results that compel you to continue. That’s exactly what The 4-Hour Body delivers.

Raw Food Diet Marta Tuchowska 2019-12-31 The Best Raw Food Recipes to Help You Look and Feel Amazing (even if you’re not fully raw) Do you LOVE eating and hate calorie counting? What if I told you that you can lose weight, increase your energy levels and improve your overall health without having to eat less? It’s as simple as enriching your diet with fresh, raw foods (and you don’t have to be perfect!). Focus on ABUNDANCE. Health does not have to be complicated! Raw food lifestyle is very flexible. It means that it doesn’t matter if you are vegan, vegetarian, paleo, alkaline, gluten-free, or you don’t follow anything at all. You can always add more raw foods into your existing diet to enjoy all the benefits (natural weight loss, healthy looking skin, unstoppable energy) you deserve. The good news is - you do not need to spend hundreds of dollars on expensive superfood fads or herbs from the other side of the world... The solution is just in front of you and it’s not about following some crazy and restrictive fruit cult diet... Here’s exactly what you will learn with Raw Food Diet: Exciting raw salads, soups and creams Vegan Alkaline (raw) treats and desserts Super tasty salad dressings and salsas so that you never feel bored with raw food The best healing herbs to help you transform (and make your healthy food taste better than “normal food”). How to combine raw food with cooked food (so that you can still keep it healthy but never get bored) The most effective healing smoothies (they are so rich in nutrients that even if you have only 1 day, you will be able to level up your energy!) It’s up to you if you want to go raw full-time or part-time because the raw lifestyle is very flexible. You will also discover the best raw food recipes to: Improve your digestion Sleep better Mesmerize people with your healthy-looking skin and hair Supercharge your immune system and feel energized so that you spend less time sick and more time doing things you love Ready to take revolutionize your health on a deeper level? Grab your copy today and help your body and mind feel great again! Join thousands of others in our flexible raw alkaline community and start transforming your body with the most delicious raw food recipes.

Greenlights Matthew McConaughey 2020-10-20 #1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®–winning actor’s unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN “McConaughey’s book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand.”—Mark Manson, author of The Subtle Art of Not Giving a F*ck I’ve been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life’s challenges—how to get relative with the inevitable—you can enjoy a state of success I call “catching greenlights.” So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it’s medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot’s license, going to church without having to be born again, and laughing through the tears. It’s a love letter. To life. It’s also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

The Zone Barry Sears 1995 An approach to diet, which treats food as a powerful drug that when used wisely will bring benefits to health. It is based on the idea of controlling the hormones in the body by the food we eat to create hormonal balance, which then helps to burn fat, lose weight, fight disease and alleviate pains.

Cravings Chrissy Teigen 2016-02-23 Maybe she’s on a photo shoot in Zanzibar. Maybe she’s making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. Or breakfast. Lunch gets some love, too. For years, she’s been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John’s famous fried chicken with spicy honey butter to her mom’s Thai classics. Salty, spicy, saucy, and fun as sin (that’s the food, but that’s Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You’ll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Because for Chrissy Teigen, cooking, eating, life, and love are one and the same.

Talking Book Topics 2005 Includes audio versions, and annual title-author index.

2 Weeks to Feeling Great Gabriela Peacock 2021-05-27 The Sunday Times Bestseller 'The game-changing nutritionist ripping up the weight-loss rule book.' - You Magazine 'Gabriela's tips on how to achieve a great relationship with your body are all in this book!' - EVA HERZIGOVÁ 'The cool-girl, real-world guide to nutrition and more. Sane, smart and funny.' - LAURA BAILEY 'I had no idea feeling great was going to be this easy.' - JODIE KIDD 2 Weeks to Feeling Great is nutritionist Gabriela Peacock's comprehensive guide to health and wellbeing aimed at busy people who may not have the time - or inclination - to commit to strict rules that are not compatible with real life and instead focuses on what is achievable. It includes two detailed 14-day programmes on intermittent fasting, scientifically proven to be the most effective method of safely reaching a healthy weight. Covering everything from improving sleep to rebalancing hormones and increasing energy, the easy-to-remember tips and recommendations require minimal effort but deliver significant results. Gabriela also looks at other lifestyle factors, in addition to diet, that affect health - from household and beauty products to reducing the use of plastics. The bottom line is, you don't have to be perfect in order to feel and look better.

The Juice Lady's Turbo Diet Cherie Calbom, MS, CN 2011-10-31 In this book, you'll discover not only the principles behind juicing, but the recipes to help you serve up freshly made juices and delicious raw foods as part of a lifestyle to lose weight and keep it off for good.

The Defined Dish Alex Snodgrass 2019 Gluten-free, dairy-free, and grain-free recipes that sound and look way too delicious to be healthy from The Defined Dish blog, fully endorsed by Whole30.

You Can Drop It! Ilana Muhlstein 2020-05-12 Most Registered Dietitian Nutritionists Couldn't Claim This— “I Lost 100 Pounds and Now I'm Sharing How I Did It with You!” MORE THAN 240,000 CLIENTS CAN'T BE WRONG! My name is Ilana Muhlstein and I wrote You Can Drop It! to help you learn my personal and proven system to drop weight and keep it off—without sacrifice—and it’s so simple that you’ll love it! This unique approach has become famous thanks to my renowned 2B Mindset program. The 2B Mindset is designed with the built-in ability for customization so that it is optimally effective and can work for everyone. It has already helped thousands of people lose weight—some more than 100 pounds—while never asking them to go hungry or cut out the foods that they love.

You Can Drop It! doesn’t just give you the key knowledge you need to lose weight. It adds motivational principles and real-life examples and it’s the perfect complement to my successful program. No counting calories! No portion control! No feeling hungry! No off-limits foods! No exercise required! Finally—weight loss with FREEDOM! Here’s Exactly Why YOU CAN DROP IT! Will Work: You’re going to feel full and satisfied. (You can still eat comforting foods, in big portions, and enjoy 50+ delicious recipes inside.) You’ll eat the foods you love. (Nothing is off-limits, not even dessert or a glass of wine.) You’ll be in control. (Say goodbye to emotional and mindless eating.) You can finally keep off the weight! (These powerful weight-loss tools will be yours for life.) The 2B Mindset method changed my life. I struggled with yo-yo dieting the whole first half of my life. I was always the big one in the group. By the time I turned 13, I weighed over 200 pounds, and I felt terrible about myself. That’s when I realized I had to break the cycle. Through trial and error, and lots of research, I discovered a simple and effective way to lose weight, while still eating large portions and the foods I loved. Over time, I lost 100 pounds, and kept the weight off. . . even after having two beautiful children. My secret? It’s called the 2B Mindset. It has helped thousands of my clients lose weight too—and now it will help you.

The New Keto-Friendly South Beach Diet Arthur Agatston, M.D. 2019-12-31 Boost your metabolism and burn 100-500 more calories per day by putting your body into fat burning mode with a new science-backed update to this proven diet. The New Keto-Friendly South Beach Diet combines the good fats and healthy carbs of the world-famous heart-healthy program with the advanced nutrition science of keto-all in a doctor-approved plan that is easier than strict keto diets.

The original South Beach Diet defined the cutting edge of healthy weight loss. Now the creator of the classic plan combines his signature diet with the latest, most cutting-edge advances in healthy eating that are the basis for the ketogenic diet. With a new emphasis on good carbs, healthy fats, and quality proteins,

The New Keto-Friendly South Beach Diet takes the powerful fundamentals of the original South Beach Diet and adds the fat-burning principles of keto. Dr. Arthur Agatston cuts through the confusion around keto and low carb diets and gives readers a step-by-step 28-day eating plan that increases satisfaction, decreases appetite, and makes it easy to lose weight and keep it off. He also explains why strict ketosis is not necessary to achieve results; the effectiveness of intermittent fasting; and the relationship between yo-yo-dieting and sugar addiction. This plan offers the benefits of keto and low carb without the pitfalls. As this new book reveals, you can boost your metabolism and put your body safely into fat-burning mode with a diet that’s more flexible and more sustainable than traditional keto. And that’s not all: in addition to long-term weight loss, the South Beach Keto-Friendly plan can boost mental sharpness, reduce inflammation and pain, increase your energy, and improve diabetes and heart health. Includes around 100 recipes, full-color photos, and an easy-to-follow 28-day meal plan. **The Mediterranean Diet Cookbook for Beginners** Elena Paravantes, RDN 2020-12-29 With 100 recipes and practical advice, this is the only guide you'll need to get started on the authentic Mediterranean diet! Fancy broadening your pallet this New Year but don't know where to begin? Then this mouth-watering Mediterranean guide is calling your name!

The Engine 2 Cookbook Rip Esselstyn 2017-12-26 Lose weight, lower cholesterol, and improve your health, one delicious bite at a time in this companion to the runaway New York Times bestseller The Engine 2 Diet. The Engine 2 Diet has sold hundreds of thousands of copies and inspired a plant-based food revolution. Featuring endorsements from top medical experts and a food line in Whole Foods Market, Engine 2 is the most trusted name in plant-based eating. Now, readers can bring the Engine 2 program into their kitchens with this cookbook companion to the original diet program. Engine 2 started in a firehouse in Texas, and if Texas firefighters love to eat this food, readers nationwide will eat it up, too! The Engine 2 Cookbook packs the life-saving promise of the Engine 2 program into more than 130 mouth-watering, crowd-pleasing recipes, including: Mac-N-Cash Two-Handed Sloppy Joes Terrific Teriyaki Tofu Bowl Badass Banana Bread

La Dieta South Beach Arthur Agatston 2004-01-17 La dieta que todos están comentando Durante años, el cardiólogo Arthur Agatston urgía a sus pacientes a perder peso por el bien de sus corazones, pero las dietas resultaron demasiado difíciles de seguir o muy severas. Algunas eran hasta peligrosas. Aparentemente nadie podía seguir los regímenes bajos en grasa durante mucho tiempo. Y una dieta no sirve para nada si uno no la puede seguir. Por lo tanto, el Agatston inventó su propia dieta. La dieta South Beach no es complicada y tampoco requiere que se pase hambre. Disfrutará porciones normales de carne, aves y pescado. También disfrutará huevos, queso, frutos secos y verduras. Las meriendas (refrigerios, tentempiés) también son de rigor en esta dieta. Aprenderá a evitar los carbohidratos malos como la harina blanca, el azúcar blanca y las papas al horno. Lo mejor de todo es que a medida que adelgace, perderá esa terca grasa abdominal primero! La dieta del Dr. Agatston ha producido resultados que han sido constantemente impactantes (¡un pérdida de entre 8 y 13 libras durante las primeras 2 semanas!) y ha creado un furor en los medios de comunicación del sur de la Florida. Ahora usted también puede unirse a las filas de los que ahora ostentan figuras fabulosas gracias a la dieta South Beach.

The South Beach Diet Cookbook Arthur Agatston 2004-04-13 A companion to “The South Beach Diet” presents more than two hundred recipes that demonstrate how to eat healthfully without compromising taste, outlining the diet’s basic philosophies and sharing personal success stories.

The Lose Your Belly Diet Travis Stork, M.D. 2016-12-27 We want to be healthy. We want to be lean. And we want to lose that annoying fat around our bellies! We can achieve ALL of these goals with The Lose Your Belly Diet. Based on exciting new research about the dramatic benefits of vibrant gut health and a diverse gut microbiome, this plan nurtures your gut while helping you burn off excess weight and harmful belly fat. This plan is built around a very clear, research-based concept: Eating food that nourishes and protects the microbes in your gut paves the way for weight loss, a slimmer middle, and better overall health. It’s not just about weight loss. Having great gut health is linked to good health throughout your body. Scientists in this rapidly growing field are finding connections between gut microbes and the immune system, weight loss, gastrointestinal health, , allergies, asthma, and even cancer. With every study that’s published, scientists become more convinced that having a healthy gut leads to having a healthy body. We’re accustomed to thinking of bacteria as bad—and some are—but most of the bacteria and microbes in our guts do amazing things, like working with our immune system to fight disease and helping our bodies digest food. Not only can’t we live without them, but as their numbers and diversity increase, so too does our health. In this book, we look at all of the ways you can improve your own gut health, starting with the food you eat. My diet recommendations, meal plans, and recipes will help feed and protect your gut microbes. And we look at the many other steps you can take to support your beneficial bacteria, from avoiding unnecessary antibiotics to changing the way you think about dirt and germs. Even the choices you make about how you bring your children into the world can have an impact on your family’s microbiomes. In The Lose Your Belly Diet, we’ll cover all the bases, giving you everything you need to know to make dramatic changes in your GI health, your weight, your belly fat, and your overall health.

La Dieta South Beach Arthur Agatston 2004-01-01 A renowned cardiologist discusses the importance of understanding the glycemic index values of foods and presents a weight-loss program that includes meal plans and recipes.

Good and Cheap Leanne Brown 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master’s candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government’s Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bitman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

The Blue Zones Dan Buettner 2010 An expert on human longevity reveals the sometimes unusual but effective secrets of diet, behavior, fitness, and attitude collected from long-lived communities around the world, revealing the critical everyday lifestyle choices and behavior that correspond to a longer, healthier life. Reprint.

The South Beach Diet Supercharged Arthur Agatston, M.D. 2009-04-28 Outlines an exercise program designed to complement "The South Beach Diet" eating guidelines and lifestyle recommendations, and details a twenty-minute daily, three-phase workout that combines cardiovascular and functional fitness practices.

Undo It! Dean Ornish 2021-01-05 NATIONAL BESTSELLER * Fight cancer, diabetes, heart disease, weight gain, and even the aging process itself with one simple, scientifically proven plan to reverse disease—as well as prevent and reduce symptoms—from the world-renowned pioneer of lifestyle medicine. Dean Ornish, M.D., has directed revolutionary research proving, for the first time, that lifestyle changes can often reverse—undo!—the progression of many of the most common and costly chronic diseases and even begin reversing aging at a cellular level. Medicare and many insurance companies now cover Dr. Ornish's lifestyle medicine program for reversing chronic disease because it consistently achieves bigger changes in lifestyle, better clinical outcomes, larger cost savings, and greater adherence than have ever been reported—based on forty years of research published in the leading peer-reviewed medical and scientific journals. Now, in this landmark book, he and Anne Ornish present a simple yet powerful new unifying theory explaining why these same lifestyle changes can reverse so many different chronic diseases and how quickly these benefits occur. They describe what it is, why it works, and how you can do it: * Eat well: a whole foods, plant-based diet naturally low in fat and sugar and high in flavor. The "Ornish diet" has been rated "#1 for Heart Health" by U.S. News & World Report every year from 2011 to 2017. * Move more: moderate exercise such as walking * Stress less: including meditation and gentle yoga practices * Love more: how love and intimacy transform loneliness into healing With seventy recipes, easy-to-follow meal plans, tips for stocking your kitchen and eating out, recommended exercises, stress-reduction advice, and inspiring patient stories of life-transforming benefits—for example, several people improved so much after only nine weeks they were able to avoid a heart transplant—Undo It! empowers readers with new hope and new choices. Praise for Undo It! "The Ornishes' work is elegant and simple and deserving of a Nobel Prize, since it can change the world!"—Richard Carmona, M.D., MPH, FACS, seventeenth Surgeon General of the United States "If you want to see what medicine will be like ten years from now, read this book today."—Rita F. Redberg, M.D., editor in chief, JAMA Internal Medicine "This is one of the most important books on health ever written."—John Mackey, CEO, Whole Foods Market

The First Forty Days Heng Ou 2016-04-26 The first 40 days after the birth of a child offer an essential and fleeting period of rest and recovery for the new mother. Based on author Heng Ou's own postpartum experience with *zuo yuezi*, a set period of "confinement," in which a woman remains at home focusing on healing and bonding with her baby, *The First Forty Days* revives the lost art of caring for the mother after birth. As modern mothers are pushed to prematurely "bounce back" after delivering their babies, and are often left alone to face the physical and emotional challenges of this new stage of their lives, the first forty days provide a lifeline—a source of connection, nourishment, and guidance. The book includes 60 simple recipes for healing soups; replenishing meals and snacks; and calming and lactation-boosting teas, all formulated to support the unique needs of the new mother. In addition to the recipes, this warm and encouraging guide offers advice on arranging a system of help during the postpartum period, navigating relationship challenges, and honoring the significance of pregnancy and birth. *The First Forty Days*, fully illustrated to feel both inspiring and soothing, is a practical guide and inspirational read for all new mothers and mothers-to-be—the perfect ally during the first weeks with a new baby.

Sophie's World Jostein Gaarder 2007-03-20 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Criticas 2004

The Doctor's Diet Travis Stork 2015-12-08 The Doctor's Diet is way more than just an eating plan: It's a blueprint for a longer, healthier, happier life! The Doctor's Diet is the solution to unhealthy eating, an American epidemic with a death toll higher than that of car accidents, drug abuse, smoking, and gun violence combined. Here, Dr. Stork offers a flexible and workable diet plan that addresses this health crisis by helping you lose weight, restore your health, and ultimately add years to your life. Because Dr. Stork understands the urgency of this weight crisis, he created a simple 14-day jump-start STAT plan so that you can begin losing weight right away. Readers will be inspired by Dr. Stork's encouragement, and will establish healthy new eating habits with great-tasting meals, easy-to-follow recipes, and enough flexibility that anyone can follow along, from vegetarians to meat-eaters and everyone in between! This is a diet that can work for you.

El recetario de la dieta South Beach Arthur Agatston 2005 A companion to "The South Beach Diet" presents more than two hundred recipes that demonstrate how to eat healthfully without compromising taste, outlining the diet's basic philosophies and sharing personal success stories.

The Fast Beach Diet Mimi Spencer 2014-06-24 Provides a six-week weight loss regimen based around the author's 5:2 system, where the dieter eats normally for five days and then fasts for two, and includes recipes, meal plans, and an exercise plan.

La dieta de south beach Arthur Agatston, M.D. 2006-04-30

The Skinnytaste Cookbook Gina Homolka 2014 Collects one hundred and fifty low-calorie recipes, including soups, chilis, salads, meatless main dishes, seafood, chicken, and poultry dishes, and desserts, with detailed nutritional information for each recipe.

The Engine 2 Diet Rip Esselstyn 2009-02-25 Lose weight, lower cholesterol, significantly reduce the risk of disease, and become physically fit—in just 4 weeks. Professional athlete-turned-firefighter Rip Esselstyn is used to responding to emergencies. So, when he learned that some of his fellow Engine 2 firefighters in Austin, TX, were in dire physical condition—several had dangerously high cholesterol levels (the highest was 344!)—he sprang into action and created a life-saving plan for the firehouse. By following Rip's program, everyone lost weight (some more than 20 lbs.), lowered their cholesterol (Mr. 344's dropped to 196), and improved their overall health. Now, Rip outlines his proven plan in this book. With Rip as your expert coach and motivator, you'll transform your body and lifestyle in a month. His plant-powered eating plan is based on a diet of whole foods, including whole grains, fresh fruits, vegetables, legumes, nuts, and seeds. This invaluable guide features: Dozens of easy, mouthwatering recipes—from pancakes to pizza, Tex-Mex favorites to knockout chocolate desserts—that will keep you looking forward to every bite Pantry-stocking tips will take the panic out of inevitable cravings and on-the-fly meals Guidelines on menu choices that will

allow you to eat out, wherever and whenever you want Rip's simple, firefighter-inspired exercise program that will boost your metabolism and melt your fat away. Medically approved, easy-to-follow, and amazingly effective, this diet is designed for anyone who wants to make heroic strides in his or her health, weight, and well-being—all without heroic effort. "Want to be as strong as a Texas firefighter? Or as healthy as a professional triathlete? Then follow the wonderful advice of Rip Esselstyn, who is both. His book can save your life—whether you're a man or a woman. Highly recommended!" -Dean Ornish, M.D., Founder and President, Preventive Medicine Research Institute, Clinical Professor of Medicine, U of California, SF, author, Dr. Dean Ornish's Program for Reversing Heart Disease

Budget Bytes Beth Moncel 2014-02-04 The debut cookbook from the *Saveur* blog award-winning Internet expert on making eating cheap dependably delicious As a college grad during the recent great recession, Beth Moncel found herself, like so many others, broke. Unwilling to sacrifice eating healthy and well—and armed with a degree in nutritional science—Beth began tracking her costs with obsessive precision, and soon cut her grocery bill in half. Eager to share her tips and recipes, she launched her blog, *Budget Bytes*. Soon the blog received millions of readers clamoring for more. Beth's eagerly awaited cookbook proves cutting back on cost does not mean cutting back on taste. *Budget Bytes* has more than 100 simple, healthy, and delicious recipes, including Greek Steak Tacos, Coconut Chicken Curry, Chorizo Sweet Potato Enchilada, and Teriyaki Salmon with Sriracha Mayonnaise, to name a few. It also contains expert principles for saving in the kitchen—including how to combine inexpensive ingredients with expensive to ensure that you can still have that steak you're craving, and information to help anyone get acquainted with his or her kitchen and get maximum use out of the freezer. Whether you're urban or rural, vegan or paleo, *Budget Bytes* is guaranteed to delight both the palate and the pocketbook.

Fiber Fueled Will Bulsiewicz, MD 2020-05-12 The instant New York Times, USA Today, and Publisher's Weekly bestseller A bold new plant-based plan that challenges popular keto and paleo diets, from an award-winning gastroenterologist. The benefits of restrictive diets like paleo and keto have been touted for more than a decade, but as renowned gastroenterologist Dr. Will Bulsiewicz, or "Dr. B," illuminates in this groundbreaking book, the explosion of studies on the microbiome makes it abundantly clear that elimination diets are in fact hazardous to our health. What studies clearly now show—and what Dr. B preaches with his patients—is that gut health is the key to boosting our metabolism, balancing our hormones, and taming the inflammation that causes a host of diseases. And the scientifically proven way to fuel our guts is with dietary fiber from an abundant variety of colorful plants. Forget about the fiber your grandmother used to take—the cutting-edge science on fiber is incredibly exciting. As Dr. B explains, fiber energizes our gut microbes to create powerhouse postbiotics called short-chain fatty acids (SCFAs) that are essential to our health. SCFAs are scientifically proven to promote weight loss, repair leaky gut, strengthen the microbiome, optimize the immune system, reduce food sensitivities, lower cholesterol, reverse type 2 diabetes, improve brain function, and even prevent cancer. Restrictive fad diets starve the gut of the critical fiber we need, weaken the microbes, and make our system vulnerable. As a former junk-food junkie, Dr. B knows firsthand the power of fiber to dramatically transform our health. The good news is that our guts can be trained. Fiber-rich, real foods—with fruits, vegetables, whole grains, seeds, nuts, and legumes—start working quickly and maintain your long-term health, promote weight loss, and allow you to thrive and feel great from the inside out. With a 28-day jumpstart program with menus and more than 65 recipes, along with essential advice on food sensitivities, *Fiber Fueled* offers the blueprint to start turbocharging your gut for lifelong health today.

Deep Nutrition Catherine Shanahan 2017-01-03 A self-published phenomenon examining the habits that kept our ancestors disease-free—now with a prescriptive plan for "The Human Diet" to help us all live long, vital, healthy lives. Physician and biochemist Cate Shanahan, M.D. examined diets around the world known to help people live longer, healthier lives—diets like the Mediterranean, Okinawa, and "Blue Zone"—and identified the four common nutritional habits, developed over millennia, that unfailingly produce strong, healthy, intelligent children, and active, vital elders, generation after generation. These four nutritional strategies—fresh food, fermented and sprouted foods, meat cooked on the bone, and organ meats—form the basis of what Dr. Cate calls "The Human Diet." Rooted in her experience as an elite athlete who used traditional foods to cure her own debilitating injuries, and combining her research with the latest discoveries in the field of epigenetics, Dr. Cate shows how all calories are not created equal; food is information that directs our cellular growth. Our family history does not determine our destiny: what you eat and how you live can alter your DNA in ways that affect your health and the health of your future children. *Deep Nutrition* offers a prescriptive plan for how anyone can begin eating *The Human Diet* to: *Improve mood *Eliminate cravings and the need to snack *Boost fertility and have healthier children *Sharpen cognition and memory *Eliminate allergies and disease *Build stronger bones and joints *Get younger, smoother skin *Deep Nutrition* cuts through today's culture of conflicting nutritional ideologies, showing how the habits of our ancestors can help us lead longer, healthier, more vital lives.

Breaking Up With Sugar Molly Carmel 2019-12-31 A proven plan to break free from your unhealthy relationship with Sugar - and reclaim your health and your life for good. The solution to your food and weight problems isn't willpower or the next fad diet - it's breaking up with Sugar. Molly Carmel, an eating disorder therapist with a thriving clinic in New York City, discovered the devastating role Sugar played in her own 20-year struggle with disordered eating. After reaching a peak weight of 325 pounds and trying every diet imaginable, Molly was finally able to dramatically transform her life—and find her happy weight—by breaking up with Sugar. Molly has since helped thousands of people overcome compulsive overeating, repetitive dieting, and Sugar addiction to reinvent their lives. Here, she shares her empowering 66-day blueprint for kicking Sugar to the curb - once and for all. Molly explains how Sugar is not only bad for your health, it's also a substance with highly addictive potential - one that creates physical, neurological, and hormonal changes that often make moderation impossible. This is the first book to address the emotional, spiritual, chemical, and physical components of this toxic relationship and help guide you through the steps to create a new and lasting relationship with food...and with yourself. *Breaking Up with Sugar* includes step-by-step meal plans to take the guesswork out of going Sugar-free, as well as seven key self-affirming vows you can rely on to help end the overeating and dieting cycle and release unhealthy weight. With empathy, honesty, and humor as your trusted coach and friend, Molly gives you essential tools to navigate this new way of eating when life gets "life-y" or times get tough. Her sustainable roadmap will put you on the path to true freedom.
