The Cambridge Companion to ‘Robinson Crusoe' John Richetti 2018-04-30 An instant success in its own time, Daniel Defoe's The Adventures of Robinson Crusoe has for three centuries drawn readers to its archetypal hero, the man surviving alone on an island. This Companion begins by studying the eighteenth-century literary, historical and cultural contexts of Defoe's novel, exploring the reasons for its immense popularity in Britain and in its colonies in America and in the wider European world. Chapters from leading scholars discuss the social, economic and political dimensions of Crusoe's island story before examining the 'after life' of Robinson Crusoe, from the book's multitudinous translations to its cultural migrations and transformations into other media such as film and television. By considering Defoe's seminal work from a variety of critical perspectives, this book provides a full understanding of the perennial fascination with, and the enduring legacy of, both the book and its iconic hero.

Robinson Crusoe Daniel Defoe 2020-09-08 This classic story of a shipwrecked mariner on a deserted island is perhaps the greatest adventure in all of English literature. Fleeing from pirates, Robinson Crusoe is swept ashore in a storm possessing only a knife, a box of tobacco, a pipe-and the will to survive. His is the saga of a man alone: a man who overcomes self-pity and despair to reconstruct his life; who painstakingly teaches himself how to fashion a pot, bake bread, build a canoe; and who, after twenty-four agonizing years of solitude, discovers a human footprint in the sand...We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The main contents of our entire classical books are the original works. The Secret Sharer Joseph Conrad 2018-01-01 "The Secret Sharer" takes place on a sailing ship in the Gulf of Siam (now the Gulf of Thailand), at the start of a voyage with cargo for Britain. The date is probably in the 1880s, when Conrad was at sea himself. In common with many of Conrad's stories, it is narrated in the first person. The narrator is the ship's young captain, whose name is never given. He is unfamiliar with both his ship and his crew, having joined the ship only a fortnight earlier, and unsure of his ability to exert his authority over the officers and crew who have been together for some time. He makes the point several times that he is the "stranger" on board.After being towed downriver (presumably from Bangkok) by a steam tug, the ship is left at anchor near a group of small barren islands a few miles off shore, waiting for wind to begin its voyage. An incoming ship is anchored similarly a couple of miles away, awaiting a tug to go upriver.That night, the captain, being restless, unusually takes the watch. As the only man on deck in the small hours of the morning, he sees that a man has swum up to the ship's side. The naked swimmer is hesitant to talk or come on board, but seems pleased to discover he is speaking to the captain. Once on board, the man introduces himself as Leggatt and he and the captain find a natural rapport, almost as if Leggatt were the captain's other self, especially as the captain has now fetched some of his own clothes for Leggatt to wear.Still on deck, Leggatt explains that he was the First Mate of the other ship, but was placed under arrest after being accused of murdering a crew member. The victim was a disobedient bully. During a storm which nearly sank their ship on their voyage here, Leggatt was physically wrestling with the man to make him to pull a rope when a freak wave threw them both against a bulwark and the man was killed. Leggatt, a "stranger" on the other ship just as the captain is on his, would certainly face the gallows on landing. However, he escaped his locked cabin and swam between islands to reach the narrator's ship.Though the captain could, and by all the rules should, arrest Leggatt, he instead leads him to concealment in his cabin. The captain has no plan yet, and hiding Leggatt seems impossibly difficult, given that his cabin is regularly serviced by his steward, the problem of food, a captain's movements being conspicuous to all, and the long voyage ahead. In the morning the captain of Leggatt's ship arrives by boat to inquire if the escapee has been sighted. Our captain, not a natural liar, manages to bluff through, but is left terrified as to what his own officers make of his strained behavior....

A Criminal History of Mankind Colin Wilson 2015-05-17 This “immensely stimulating story of true crime down the ages” tells the history of human violence, from Peking Man to the Mafia (The Times, London). This landmark work offers a completely new approach to the history and psychology of human violence. Its sweep is broad, its research meticulous and detailed. Colin Wilson explores the bloodthirsty sadism of the ancient Assyrians and the mass slaughter by the armies led by Genghis Khan, Tamerlane, Ivan the Terrible, and Vlad the Impaler. He delves into modern history, exploring the genocides practiced by Stalin and Hitler. He then takes a chilling look into the sex crimes and mass murders that have become symbols of the neuroses and intensity of modern life. With breathtaking audacity and stunning insight, Wilson puts criminality firmly in a wide, illuminating historical context. “A work of massive energy, compulsively readable, splendidly informative. . . it establishes Wilson in a European tradition of thought that includes H. G. Wells, Sartre and Shaw.” —Time Out London “A tremendous resource for crime buffs as well as a challenging exposition for some of the more subtle criminological thinking of our time.” —Kirkus Reviews

Economy of the Unlost Anne Carson 2009-04-11 The ancient Greek lyric poet Simonides of Keos was the first poet in the Western tradition to take money for poetic composition. From this starting point, Anne Carson launches an exploration, poetic in its own right, of the idea of poetic economy. She offers a reading of certain of Simonides' texts and aligns these with writings of the modern Romanian poet Paul Celan, a Jew and survivor of the Holocaust, whose "economies" of language are notorious. Asking such questions as, What is lost when words are wasted? and Who profits when words are saved? Carson reveals the two poets' striking commonalities. In Carson's view Simonides and Celan share a similar mentality or disposition toward the world, language and the work of the poet. Economy of the Unlost begins by showing how each of the two poets stands in a state of alienation between two worlds. In Simonides' case, the gift economy of fifth-century b.c. Greece was giving way to one based on money and commodities, while Celan's life spanned pre- and post-Holocaust worlds, and he himself, writing in German, became estranged from his native language. Carson goes on to consider various aspects of the two poets' techniques for coming to grips with the invisible through the visible world. A focus on the genre of the epitaph grants insights into the kinds of exchange the poets envision between the living and the dead. Assessing the impact on Simonidean composition of the material fact of inscription on stone, Carson suggests that a need for brevity influenced the exactitude and clarity of Simonides' style, and proposes a comparison with Celan's interest in the "negative design" of printmaking: both poets, though in different ways, employ a kind of negative image making, cutting away all that is superfluous. This book's juxtaposition of the two poets illuminates their differences--Simonides' fundamental faith in the power of the word, Celan's ultimate despair--as well as their similarities; it provides fertile ground for the virtuosic interplay of Carson's scholarship and her poetic sensibility.

Foe J. M. Coetzee 2017-02-07 With the same electrical intensity of language and insight that he brought to Waiting for the Barbarians, J.M. Coetzee reinvents the story of Robinson Crusoe—and in so doing, directs our attention to the seduction and tyranny of storytelling itself. J.M. Coetzee's latest novel, The Schooldays of Jesus, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. In 1720 the eminent man of letters Daniel Foe is approached by Susan Barton, lately a castaway on a desert island. She wants him to tell her story, and that of the enigmatic man who has become her rescuer, companion, master and sometimes lover: Cruso. Cruso is dead, and his manservant, Friday, is incapable of speech. As she tries to relate the truth about him, the ambitious Barton cannot help turning Cruso into her invention. For as narrated by Foe—as by Coetzee himself—the stories we thought we knew acquire depths that are at once treacherous, elegant, and unexpectedly moving.
