Basic Writings of St. Thomas Aquinas, Volume 2 Thomas Aquinas 1997 Includes substantial selections from the Second Part of the Summa Theologica and the Summa Contra Gentiles. Pegis's revision and correction of the English Dominican Translation renders Aquinas' technical terminology consistently as it conveys the directness and simplicity of Aquinas' writing; the Introduction, notes, and index aim at giving the text its proper historical setting, and the reader the means of studying St. Thomas within that setting.

The Christ of India Abbot George Burke 2018
The unique story of Jesus, Saint Thomas his Apostle, and how the Dharma of India became part of Original Christianity There is a strong connection between Jesus and India, both historically and philosophically. And his disciple, Saint Thomas, who was the apostle of India, built upon the foundation of that connection. The result is that unique form of Christianity known as Saint Thomas Christianity. In *The Christ of India*, Abbot George Burke presents the growing evidence that Jesus spent much of his "Lost Years" in India and Tibet, and reveals the philosophical unity of Jesus' teachings with the Eternal Way of Truth known in India as Sanatana Dharma. The history of Saint Thomas Christianity from the times of Jesus and Saint Thomas to the present day is also

outlined. *The Christ of India: The Story of Original Christianity* includes the following: ÿ The Christ of India, about the Essene roots of Jesus and the early Christians; the spiritual training of Jesus; The "lost years" of Jesus, with much information never before gathered together in one place; Jesus' return to the West, and how his teachings were misunderstood; Jesus return to India after his resurrection; and much more. ÿ The Apostle of India, about how Jesus' apostle Saint Thomas went to India, and how the Christianity which grew up in India had a totally unique character compared to elsewhere in the world; the history of Saint Thomas Christianity in India and the story of mission from the Church of India to America in the 1800's and what happened to it. ÿ Basic Beliefs of Original Christianity. You will learn about the manuscripts which proved Jesus lived in the "East," and the efforts to suppress the news of their discovery. You

will learn about the Indian Saint Thomas Christian bishop of the 18th century who taught karma and reincarnation, who later became a wonderworking saint revered by Christians, Hindus, and Muslims alike. Those who find themselves attracted to both Jesus and the Dharma of India will find this book fascinating and illuminating.

Sacred History Katherine Van Liere 2012-05-24 The first geographically broad, comparative survey of early modern 'sacred history', or writing on the history of the Christian Church, its leaders and saints, and its internal developments, in the two centuries from c. 1450 to c. 1650.

The Gospel According to John 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

AQUINAS COLLECTION [22 BOOKS] —
Quality Formatting and Value — Active
Index, Multiple Table of Contents for all
Books — Multiple Illustrations Thomas
Aquinas, O.P., was an Italian Dominican
friar, Catholic priest, and Doctor of the
Church. He was an immensely influential
philosopher, theologian, and jurist in the
tradition of scholasticism, within which he is
also known as the Doctor Angelicus and the
Doctor Communis. The name Aquinas
identifies his ancestral origins in the county
of Aquino in present-day Lazio, where his
family held land until 1137. He was the
foremost classical proponent of natural
theology and the father of Thomism. His
influence on Western thought is

considerable, and much of modern
philosophy developed or opposed his ideas,
particularly in the areas of ethics, natural
law, metaphysics, and political theory.
Unlike many currents in the Church of the
time, Thomas embraced several ideas put
forward by Aristotle—whom he called "the
Philosopher"—and attempted to synthesize
Aristotelian philosophy with the principles of
Christianity. The works for which he is best
known are the *Summa Theologiae* and the
Summa contra Gentiles. His commentaries
on Sacred Scripture and on Aristotle form an
important part of his body of work.
Furthermore, Thomas is distinguished for his
eucharistic hymns, which form a part of the
Church's liturgy. —BOOKS— AN APOLOGY

St. Thomas and India K. S. Mathew
2020-09-01 In *St. Thomas and India*,
renowned scholars trace the historical,
religious, and cultural connections link
India's Syrian Christian community with St.
Thomas the Apostle. They use modern
historiographical methods seek to
corroborate the ancient tradition that tells of
St. Thomas's missionary journey to India in
the middle of the first century, in which he
established seven churches in some of the
major commercial centers of Malabar. From
this first churches, Christianity spread
throughout the region. St. Thomas in India
also examines the legacy of the ancient
Christianity on the Syrian community in
India today, as well as exploring the various
cultural and religious connections between

the Syrian church in Indian and other ancient churches in the east.

First Voyage of the Apostle Thomas to India

James Kurikilamkatt 2005-12-31 If St.

Thomas reached India in 52 AD, where was he preaching in the years prior to this? Can there be truth to the idea that he traveled to India? This book tries to give comprehensive answers to these questions.
