A New Earth Eckhart Tolle 2009-01-01 'An otherworldly genius' Chris Evans' BBC Radio 2 Breakfast Show This is the follow up to the bestselling self-help book of its generation The Power of Now. Eckhart Tolle's A New Earth will be a cornerstone for personal spirituality and self-improvement for years to come, leading readers to new Levels of consciousness and inner peace. Taking off from the introspective work The Power of Now, which is a number one bestseller and has sold millions of copies worldwide, Tolle provides the spiritual framework for people to move beyond themselves in order to make this world a better, more spiritually evolved place to live. Shattering modern ideas of ego and entitlement, self and society, Tolle lifts the veil of fear that has hung over humanity during this new millennium, and shines an illuminating light that leads to happiness and health that every reader can follow. 'A wake-up call for the entire planet . . . [A New Earth] helps us to stop creating our own suffering and obsessing over the past and what the future might be, and to put ourselves in the now' Oprah Winfrey

Practicing the Power of Now Eckart Tolle 2010-09-03 New York Times bestselling author Eckhart Tolle – A key to happiness is living in the now Practice The Power of Now: If you, like many others, have benefited from the transformative experience of reading The Power of Now, you will want to own and read Practicing the Power of Now. Eckhart Tolle: Eckhart Tolle, a spiritual teacher and author who was born in Germany and educated at the Universities of London and Cambridge, is rapidly emerging as one of the world’s most inspiring spiritual teachers. His views go beyond any particular religion, doctrine, or guru. In The Power of Now and his subsequent book Practicing the Power of Now, Eckhart shares the enlightenment he himself experienced after a profound inner transformation radically changed the course of his life. Your path to enlightenment: Practicing the Power of Now extracts the essence from Eckhart’s teachings in his New York Times bestseller, The Power of Now (translated into 33 languages). Practicing the Power of Now shows us how to free ourselves from “enslavement to the mind.” The aim is to be able to enter into and sustain an awakened state of consciousness throughout everyday life. Through meditations and simple techniques, Eckhart shows us how to quiet our thoughts, see the world in the present moment, and find a path to “a life of grace, ease, and lightness.” The next step in human evolution: Eckhart’s profound yet simple teachings have already helped countless people throughout the world find inner peace and greater fulfillment in their lives. At the core of the teachings lies the transformation of consciousness, a spiritual awakening that he sees as the next step in human evolution. An essential aspect of this awakening involves transcending our ego-based state of consciousness. This is a prerequisite not only for personal happiness but also for the ending of violence on our planet. Readers of other transformational self-help books such as The Four Agreements, The Miracle Morning, Braving the Wilderness, and The Book of Joy will want to read Practicing the Power of Now.

Naked Empire Terry Goodkind 2010-12-28 Beginning with Wizard's First Rule and continuing with six subsequent fantasy masterpieces, Terry Goodkind has thrilled and awed millions of readers worldwide. Now, in Naked Empire, Goodkind returns with a broad-canvas adventure of epic intrigue, violent conflict, and terrifying peril for the beautiful Kahlan Amnell and her husband, the heroic Richard Rahl, the Sword of Truth. Richard Rahl has been poisoned. Saving an empire from annihilation is the price of the antidote. With the shadow of death looming near, the empire crumbling before the invading hordes, and time running out, Richard is offered not only his own life but the salvation of a people, in exchange for delivering his wife, Kahlan, into bondage to the enemy. The Power of Nowchi Euny Hong 2021-06-01 “A must-read for anyone interested in the art of intuitively knowing what others feel.” –Haemin Sunim, bestselling author of The Things You Can See Only When You Slow Down and Love for Imperfect Things “Euny Hong just taught me what I really want to be when I grow up: a nunchi ninja!” –Zoe Chance, bestselling author of Influence Is Your Superpower Improve your nunchi. Improve your life. Have you ever wondered why your less-skilled coworker gets promoted before you, or why that one woman from your yoga class is always surrounded by adoring friends? They probably have great nunchi. The art of reading a room and understanding what others are thinking and feeling, nunchi is a form of emotional intelligence that anyone can learn--all you need are your eyes and ears. Sherlock Holmes has great nunchi. Cats have great nunchi. Steve Jobs had great nunchi. With its focus on observing others rather than asserting yourself--it's not all about you!--nunchi is a refreshing antidote to our culture of self-promotion, and a welcome reminder to look up from your cell phone. Nunchi has been used by Koreans for more than 5,000 years. It's what catapulted their nation from one of the world's poorest to one of the richest and most technologically advanced in half a century. And it's why K-pop--an unlikely global phenomenon, performed as it is in a language spoken only in Korea--is even a thing. Not some quaint Korean custom like taking off your shoes before entering a house, nunchi is the currency of your life. The Power of Nunchi will show you how the trust and connection it fosters can help you succeed in all areas of your life--from business to love. A PENGUIN LITTLE TITLE

Summary of “Atomic Habits” by James Clear - Free book by QuickRead.com QuickRead Want more free books like this? Download our app for free at https://www.QuickRead.com/App and get access to hundreds of free book and audiobook summaries. Learn about the easy and proven way to build good habits and break the bad ones. What’s a habit? If someone were to ask you about your daily habits, you might need some time to think about them. That’s because a habit, by definition, is an act that you perform automatically by instinct. Like when you walk into a dark room, you instinctively turn on a light switch, right? Habits are actions you don’t even have to think about, which is why you might not realize how a small daily action can have a powerful effect on your life. If you’re saving a dollar a day or smoking a cigarette a day, these actions may not seem like much now, but twenty years from now, those habits can either make you rich or, unfortunately, kill you. That’s why it’s important to understand how habits are formed, so you can learn how to kick the bad habits, implement the healthy ones, and take back control of your life.

Letting Go of Nothing Peter Russell 2021-08-10 A practical and empowering approach to the age-old quest to let go of the thoughts and feelings that block happiness, impede change, and hinder self-acceptance Anyone who has dipped a toe into any of the world's spiritual traditions knows that letting go and letting be are key. But how? In this fresh, frank, and powerful guide, Peter Russell allows readers to see that the things we get hung up on are generally not tangible problems in the present, but are instead thoughts, feelings, interpretations, beliefs, or expectations we have about them. These are not actual things; they exist only in our minds. And we can strip these “no-things” of their power and let them go by making a simple change of mind. Russell boils this letting go down to remarkably easy methods of accepting, acknowledging, recognizing, and even befriending what we tend to run from. This paradoxical practice generates peace of mind, fresh perspectives, and wisdom in action. In turbulent times like ours, this is a true power, one available to us all.

The Power of Now Eckhart Tolle 2010-10-06 To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, “The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death.” Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, The Power of Now is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

The Art of Communicating Thich Nhat Hanh 2013-08-13 Zen master Thich Nhat Hanh, bestselling author of Peace is Every Step and one of the most respected and celebrated religious leaders in the world, delivers a powerful path to happiness through mastering life’s most important skill. How do we say what we mean in a way that the other person can really hear? How can we listen with compassion and understanding? Communication fuels the ties that bind, whether in relationships, business, or everyday interactions. Most of us, however, have never been taught the fundamental skills of communication—or how to best represent our true selves. Effective communication is as important to our well-being and happiness as the food we put into our bodies. It can be either healthy (and nourishing) or toxic (and destructive). In this precise and practical guide, Zen master and Buddhist monk Thich Nhat Hanh reveals how to listen mindfully and express your fullest and most authentic self. With examples from his work with couples, families, and international conflicts, The Art of Communicating helps us move beyond the perils and frustrations of misrepresentation and misunderstanding to learn the listening and speaking skills that will forever change how we experience and impact the world.

Guilty as Sin Tami Hoag 2003-12-30 A cold-blooded kidnapper has been playing a twisted game with a terrified Minnesota town. Now a respected member of the community stands accused of a horrific act of evil. But when a second boy disappears, a frightened public demands to know: Have the police caught the wrong man? Is the nightmare continuing—or just beginning? Prosecutor Ellen North believes she’s building a case against a guilty man—and that he has an accomplice in the shadows. As she prepares for the trial of her career, Ellen suddenly finds herself swept into a cruel contest of twisted wits, a dark dance of life and death . . . with an evil mind as guilty as sin. Praise for Tami Hoag and Guilty as Sin “Without a doubt . . . one of the most intense suspense writers around.”—Chicago Tribune “A chilling study of evil that holds the reader until the shocking surprise ending.”—New York Times bestselling author Phillip Margolin “The tangled relationships that lie just beneath the surface of Deer Lake are tantalizingly revealed.”—The New York Times Book Review “Accomplished and scary.”—Cosmopolitan

The High 5 Habit Mel Robbins 2021-09-28 In her global phenomenon The 5 Second Rule, Mel Robbins taught millions of people around the world the five second secret to motivation. Now she's back with another simple, proven tool you can use to take control of your life: The High 5 Habit. Don't let the title fool you. This isn't a book about high fiving everyone else in your life. You're already doing that. Cheering for your favorite teams. Celebrating your friends.

Supporting the people you love as they go after what they want in life. Imagine if you gave that same love and encouragement to yourself. Or even better, you made it a daily habit. You'd be unstoppable. In this book, Mel teaches you how to start high fiving the most important person in your life, the one who is staring back at you in the mirror: YOURSELF. If you struggle with self-doubt (and who doesn't?) . . . If you're tired of that nagging critic in your head (could somebody evict them already?) . . . If you're wildly successful but all you focus on is what's going wrong (you're not alone) . . . If you're sick of watching everybody else get ahead while you sit on the couch with your dog (don't bring your dog into this)Mel dedicates this book to you. Using her signature science-backed wisdom, deeply personal stories, and the real-life results that The High 5 Habit is creating in people's lives around the world (and you'll meet a lot of them throughout this book), Mel will teach you how to make believing in yourself a habit so that you operate with the confidence that your goals and dreams demand. The High 5 Habit is a simple yet profound tool that

changes your attitude, your mindset, and your behavior. So be prepared to laugh and learn as you take steps to immediately boost your confidence, happiness, and results. It's time to give yourself the high fives, celebration, and support you deserve.

The Power of Death Gabriel Dee 2015-07-31 The ONLY Book You Need for Lasting Motivation, Personal Transformation and Spiritual Growth Do you want to change your life, but constantly lose motivation? Are you trying to find or transform yourself? Are you seeking spiritual enlightenment? Stop the search, and get the book now! The Power of Death will show you a revolutionary method to reach all of the above and more. This technique was invented by the Buddha, but it has not been widely used, because it seems so contradictory and radical at first. However, the lives of millions of people is the proof that it works. Although it "happened" to them by accident, now you can learn to use it consciously at will. This is the secret of the greatest spiritual teachers that they hardly talk about, but that led to their own enlightenment. You probably didn't hear about this method before, and this information is not available elsewhere in such a comprehensive form. Steve Jobs said that this was his most important tool to help him make big choices in life. It is simple, and you can do it, too. You are about to discover: How to develop lasting motivation effortlessly without willpower? How to live an authentic and meaningful life instead of just surviving? How to eradicate all of your fears, and have the courage to be yourself? Why personal development is a trap, and radical transformation is the only way? Why belief is the greatest barrier in spiritual growth, and how to go beyond it? How to recognize the different games of the ego, and stop cheating yourself? How to develop real compassion without "trying" to be a good person? This is the Master Key That Will Unlock the 7 Doors to Spiritual Growth All at Once Even if you are not interested in spirituality, the Power of Death can make you take the first step. And if you are a spiritual seeker, this can be the last step on your path. It is guaranteed to change your life one way or another. In this book, you will find out: How to wake up from the illusion that you are living in? How to develop unconditional love and deep compassion? How to be in the here and now and live the present moment? How to be grateful for every moment without trying it too hard? How to drop your ego effortlessly and finally find yourself? How to develop real non-attachment and deep acceptance? How to face death and experience your immortality? I will not only tell you why this works, but also show you how to practice it in everyday life. During my travels, I have tried almost all of the spiritual techniques in the world, and this is the most powerful one that I know of. It also played an important part on my own spiritual path that ultimately led to enlightenment. Let me share it with you!

Golden Girl Elin Hilderbrand 2021-06-01 In this #1 bestselling page-turner from "the queen of beach reads" (New York Magazine), a Nantucket novelist has one final summer to protect her secrets while her loved ones on earth learn to live without their golden girl. On a perfect June day, Vivian Howe, author of thirteen beach novels and mother of three nearly grown children, is killed in a hit-and-run car accident while jogging near her home on Nantucket. She ascends to the Beyond where she's assigned to a Person named Martha, who allows Vivi to watch what happens below for one last summer. Vivi also is granted three "nudges" to change the outcome of events on earth, and with her daughter Willa on her third miscarriage, Carson partying until all hours, and Leo currently "off again" with his high-maintenance girlfriend, she'll have to think carefully where to use them. From the Beyond, Vivi watches "The Chief" Ed Kapenash investigate her death, but her greatest worry is her final book, which contains a secret from her own youth that could be disastrous for her reputation. But when hidden truths come to light, Vivi's family will have to sort out their past and present mistakes—with or without a nudge of help from above—while Vivi finally lets them grow without her. With all of Elin's trademark beach scenes, mouth-watering meals, and picture-perfect homes, plus a heartfelt message—the people we lose never really leave us—Golden Girl is a beach book unlike any other.

Stillness Speaks Eckhart Tolle 2008

Power of Thinking Big Thomas Abreu 2015-09-18 Success is measured not by the size of your brain, but rather by the size of your thinking. This intrigues a lot of people, and if you observe how people behave, you will have a clear understanding of what success really means. Time and time again, history and experience have proved that the degree of our general satisfaction and happiness is dependent on how we think. There is magic in thinking big! Positive thinking helps accomplish so much in our life, but unfortunately not everyone thinks that way. We are all products of our thinking that goes within and around us. There is an environment around us that exerts all sorts of forces on your thinking; some will push you up the ladder while others will pull you down. We have been told many times that opportunities to lead are no longer there; hence we should be content with who we are without having positive aspirations on leadership. The petty environment surrounding us also has its own narrative concerning our lives. It constantly tells us that whatever is destined will eventually happen and we have no control over it. Leaving your fate in the hands of chance can potentially ruin your life and make you miserable. Therefore, before you start giving up your dreams of a finer home or giving a better life for your children, stand firm and resist resigning to fate. Do not lie down and wait to die. Success is worth every effort you expend, and every step you make pays a dividend. Even in an environment where competition is intense, you still can succeed as long as your thinking is in the positive quadrant of your mind frame. The basic concepts and principles that underlie the power of thinking big are drawn from the highest-pedigree sources and the finest thinking minds such as Emerson who said "Great men are those who see that thoughts rule the world." Milton who wrote in his book Paradise Lost, "The mind is its own place and in itself can make a heaven of hell or a hell of heaven." Shakespeare made an interesting observation about thinking which he summarized and said "There is nothing either good or bad except that thinking makes it so." Proof is everywhere that thinking big indeed works. When you look at the lives of people who you consider as big thinkers, you will be amazed at their winning success, happiness and achievements. This book will show you proven strategies from different life situations that will turn your life around.

A Paris Apartment Michelle Gable 2014-04-22 The New York Times Best Seller! Now with an excerpt of Michelle's new book, I'll See You in Paris! Bienvenue à Paris! When April Vogt's boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sotheby's continental furniture specialist does not hear the words "dust" or "rats" or "decrepit." She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarder's repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or mounted rhinoceros horns or bronze bathtub). First, there's a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe de Florian. These documents reveal that she was more than a renowned courtesan with enviable décolletage. Suddenly April's quest is no longer about the bureaux plats and Louis-style armchairs that will fetch millions at auction. It's about discovering the story behind this charismatic woman. It's about discovering two women, actually. With the help of a salty (and annoyingly sexy) Parisian solicitor and the courtesan's private diaries, April tries to uncover the many secrets buried in the apartment. As she digs into Marthe's life, April can't help but take a deeper look into her own. Having left behind in the States a cheating husband, a family crisis about to erupt, and a career she's been using as the crutch to simply get by, she feels compelled to sort out her own life too. When the things she left bubbling back home begin to boil over, and Parisian delicacies beyond flaky pâtisseries tempt her better judgment, April knows that both she and Marthe deserve happy finales. Whether accompanied by croissants or champagne, this delectable debut novel depicts the Paris of the Belle Epoque and the present day with vibrant and stunning allure. Based on historical events, Michelle Gable's A Paris Apartment will entertain and inspire, as readers embrace the struggles and successes of two very unforgettable women. **TNT: The Power Within You** Claude M. Bristol 1992-08 TNT The Power Within you teaches you how to release the forces inside you and get what you want!

Red, White & Royal Blue Casey McQuiston 2019-05-14 * Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

Dead Men Flying Patrick Henry Brady 2012-10-18 Presents a history of one of the most dangerous aviation operations during the Vietnam War, call-sign Dust Off, in which air ambulances spearheaded the humanitarian efforts that were being executed during the war.

The Power of No James Altucher 2014-07-15 "No" is sometimes the hardest word to say. It's also the most necessary. How many times have you heard yourself saying yes to the wrong things—overwhelming requests, bad relationships, time-consuming obligations? How often have you wished you could summon the power to turn them down? This lively, practical guide helps you take back that power—and shows that a well-placed No can not only save you time and trouble, it can save your life. Drawing on their own stories as well as feedback from their readers and students, James Altucher and Claudia Azula Altucher clearly show that you have the right to say no: To anything that is hurting you. To standards that no longer serve you. To people who drain you of your creativity and expression. To beliefs that are not true to the real you. It's one thing to say no, the authors explain. It's another thing to have the Power of No. When you do, you will have a stronger sense of what is good for you and the people around you, and you will have a deeper understanding of who you are. And, ultimately, you'll be freed to say a truly powerful "Yes" in your life—one that opens the door to opportunities, abundance, and love.

Last Kiss of Summer (Forever Special Release Edition) Marina Adair 2016-08-30 He's one bad apple she just can't resist . . . Kennedy Sinclair never dreamed she'd own a pie shop and an orchard in a small town like Destiny Bay. But nestled between the mountains and the Pacific Ocean, it's the perfect place to cross something off her "Life's short so eat the icing first" list and start her life over from scratch. Her shop, Sweetie Pies, is famous for its hot, flaky apple turnovers and sinfully delicious deep dish pie. For Kennedy though, nothing is more enticing than the tall, strapping slice of temptation who keeps coming back for more. Luke Callahan is determined to make his hard cider business a success. With his beloved father's cider recipe and the opportunity of a lifetime in his grasp, he'll stop at nothing to get this deal done. There's just one catch: he needs Kennedy's apples. At first, he thinks it'll be as easy as pie to charm those apples right off her trees. But Kennedy isn't falling for his tender charms or his wicked ways. When the negotiations start heating up, so do the feelings they have for each other. And it takes just one kiss to seal the deal . . .

The Second Media Age Mark Poster 2018-03-08 This book examines the implications of new communication technologies in the light of the most recent work in social and cultural theory and argues that new developments in electronic media, such as the Internet and Virtual Reality, justify the designation of a "second media age".

The Story of Electricity John Munro 1902

No Time Like the Present Jack Kornfield 2017-05-16 In this landmark work, internationally beloved teacher of meditation and "one of the great spiritual teachers of our time" (Alice Walker, author of The Color Purple) Jack Kornfield reveals that you can be instantly happy with the keys to inner freedom. Through his signature warmhearted, poignant, often funny stories, with their a-ha moments and O. Henry-like outcomes, Jack Kornfield shows how we can free ourselves, wherever we are and whatever our circumstances. Renowned for his mindfulness practices and meditations, Jack provides keys for opening gateways to immediate shifts in perspective and clarity of vision, allowing us to "grapple with

difficult emotions” (Publishers Weekly, starred review) and know how to change course, take action, or—when we shouldn’t act—just relax and trust. Each chapter presents a path to a different kind of freedom—freedom from fear, freedom to start over, to love, to be yourself, and to be happy—and guides you into an active process that engages your mind and heart, awakens your spirit, and brings real joy, over and over again. Drawing from his own life as a son, brother, father, and partner, and on his forty years of face-to-face teaching of thousands of people across the country, Jack presents “a consommé of goodness, heart, laughter, tears, and breath, nourishing and delicious” (Anne Lamott, author of *Bird by Bird*). His keys to life will help us find hope, clarity, relief from past disappointments and guilt, and the courage to go forward.

Milton’s Secret Eckhart Tolle 2008-11-28 For the first time ever, bestselling author Eckhart Tolle brings the core of his teachings to children, ages 7 to 100. Beautifully illustrated and artfully expressed, this charming story will bring joy to children and their parents for decades to come. Milton, who is about eight years old, is experiencing bullying on the school playground at the hands of a boy named Carter. Because he is being picked on, Milton no longer enjoys going to school. In fact, he dreads each morning because of his fear of Carter. By discovering the difference between Then, When, and the Now, Milton is able to shed his fear of being bullied. Living in the Now, he no longer dreads encountering Carter—and this changes everything. Milton’s Secret will not only appeal to the millions of adult readers of Tolle’s other books, but also to any parent who wants to introduce their children to the core of Tolle’s teachings: Living in the Now is the quickest path to ending fear and suffering.

To be our best selves, we must become secure in our insecurities. In *The Hidden Power of F*cking Up*, The Try Guys - Keith, Ned, Zach, and Eugene - reveal their philosophy of trying: how to fully embrace fear, foolishness, and embarrassment in an effort to understand how we all get paralyzed by a fear of failure. They’ll share how four shy, nerdy kids have dealt with their most poignant life struggles by attacking them head-on and reveal their - ahem - sure-fail strategies for achieving success. But they’re not just here to talk; they’re actually going to put their advice to work. To demonstrate their unique self-improvement formula, they’ll each personally confront their deepest insecurities. A die-hard meat-lover goes vegan for the first time. A straight-laced father transforms into a fashionista. A perpetually single sidekick becomes the romantic lead. A child of divorce finally grows more intimate with his family. Through their insightful, emotional journeys and surprising, hilarious anecdotes, they’ll help you overcome your own self-doubt to become the best, most f*cked up version of yourself you can be!

Lake + Manning Jessica Hawkins 2018-02-13 The final book in the *Something in the Way* series, a love saga. Now a USA Today and Google Play bestseller. Manning and I have what happily-ever-after is made of . . . A home he built us on the unshakeable foundation we fought for. A life of laughter carved out of heartache and betrayal. A love story to stand the test of time. But between a trust that can’t be broken, joy that can’t be bridled, and passion that would scorch the sun, the empty spaces are becoming more and more difficult to ignore . . . Fears that keep Manning up at night as he slips from our bed. Our complicated relationship with a man he respects and one I don’t know how to forgive. And a sprawling, beautiful home with one small room I’m afraid I’ll never be able to fill. Manning and I have what happily-ever-after is made of . . . but I’ll beg the heavens for just one thing more.

Greenlights Matthew McConaughey 2020-10-20 #1 NEW YORK TIMES BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor’s unflinching honesty, unconventional wisdom, and lessons learned the hard way about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN “McConaughey’s book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand.”—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I’ve been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers,

prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life’s challenges—how to get relative with the inevitable—you can enjoy a state of success I call “catching greenlights.” So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it’s medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot’s license, going to church without having to be born again, and laughing through the tears. It’s a love letter. To life. It’s also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

The Graveyard Book Neil Gaiman 2010-09-28 It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod’s family.

Flyaway Lucy Christopher 2014-02-06 A tender and powerful novel which explores the remarkable bond between a lonely girl, a dying boy and an injured wild bird - a tale that will touch every reader.

This Savage Song Victoria Schwab 2016-07-05 #1 New York Times Bestseller * An Amazon Best Book of the Year There’s no such thing as safe in a city at war, a city overrun with monsters. In this dark urban fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or enemies—with the future of their home at stake. The first of two books, *This Savage Song* is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he’s one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who’s just been kicked out of her sixth boarding school and returned home, August jumps at it. But Kate discovers August’s secret, and after a failed assassination attempt the pair must flee for their lives. In *This Savage Song*, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, *A Darker Shade of Magic*. Her heroes will face monsters intent on destroying them from every side—including the monsters within.
